6. COMPETITION

- **A FAMILIARITY RUN** will be conducted immediately following the Drivers Briefing for Drivers who have not competed at Rob Roy previously. This is being done as a timesaver so we can maximise the number of runs on the day. Your co-operation with will be greatly appreciated.
- All runs on the day will be deemed as official, with total number of runs dependent on the number of Competitors entered and the number of track time interruptions (ie sweeping, recoveries etc) At 2.00 pm an announcement will be made as to what will be the total number of official runs for the Event.
- One issue that limits the number of runs we can achieve on the day is how quickly a Competitor enters the Return Road as this is the trigger for the start of the next Competitor run. Please view "Entering the Return Road" Memorandum at the following Link. www.robroyhillclimb.com.au/forms/rob-roy-return-road.pdf
- Come & Try Entrants will be provided with mentors and will run as a group at the end of each completed run. There will be no timing or results for Come & Try Entrants.

7. PERSONS ELIGIBLE

The Event will be open to members of clubs affiliated with CAMS who are holders of a current CAMS Level 2S/2SJ or superior licence.

Current CAMS Licences, Competition Records and CAMS Log Books (if issued), associated Certificate of Description (Category 5 cars only excluding Group S and Group N), and current Club Membership Cards must be produced at Scrutiny and on request during the meeting. Competitors may attend scrutiny **before** doing their Documentation if they wish.

10. DRIVERS BRIEFING

THE ATTENDANCE OF ALL DRIVERS IS COMPULSORY AT THE **DRIVERS BRIEFING TO BE HELD AT 8.30 am ON THE DAY**. Drivers who fail to attend the Briefing and sign the attendance sheet may be liable for a penalty applied by the Stewards. The starting order will be advised at the Drivers Briefing, and any change to the running order during the Event will be at the absolute discretion of the Clerk of the Course. For new Competitors, a separate Briefing will be held after the Drivers Briefing to explain the start line procedure at Rob Roy.

There will be an additional and separate Drivers Briefing for Come & Try Entrants following the main Drivers Briefing.

11. TIMING

Timing will be electronic and be accurate to 1/100th of a second. Class winners will be those Competitors with the fastest time for a single run in each class. In the Event of a tie, the next fastest official time of each Competitor will determine the class winner. Timekeepers will be considered Judges of Fact. Facts to be judged include departing from the course, shortening the course and failing to complete a run.

12. PROTESTS

Any Protests must be lodged in accordance with Part XII of the NCR.

13. ABANDONMENT

The Promoters reserve the right to abandon, postpone or cancel the Event in accordance with NCR 59 of the current CAMS Manual.

14. REFUELING OF VEHICLES

This may only be carried out in the designated refuelling area located in the centre lane of the Scrutiny Bay. Whilst the vehicle is being refuelled a second person must be in attendance with immediate access to an appropriate fire extinguisher. NO REFUELING IS TO BE CARRIED OUT IN THE PITS OR PADDOCK

15. SAFETY - CARS

The attention of Competitors is drawn to General Requirements for Cars and Drivers of the current CAMS Manual of Motor Sport, in which all vehicle requirements are listed in detail. All vehicles must comply with Schedules A & B of the CAMS Manual. Vehicles must be fitted with a fire extinguisher complying with Schedule H of the current CAMS Manual. Competitors are reminded that the possession and use of Halon/BCF fire extinguishers, other than where specific approval has been given by the E.P.A., is prohibited. Fuel must be in accordance with Schedule G of the current CAMS Manual.

16. SAFETY - DRIVERS

Drivers must wear a helmet to a standard listed in the current CAMS Manual of Motor Sport, and be deemed by Scrutineers of the Event to be in a suitable condition for motor sport use, non flammable clothing, including cover from ankles to wrist to throat, suitable footwear, and goggles or visors with lens other than glass in open cars (see General Requirements for Cars and Drivers, Schedule D of the current CAMS Manual).

17. NOISE

All competing cars must be fitted with a device that restricts the exhaust noise level to a maximum of 95dB(A) measured at a distance of 30 metres on a drive by test under full acceleration. Vehicles may be checked during competition. *Any Competitor's car that exceeds this limit will be warned. A second offence will result in expulsion from the remainder of the meeting.*

18. DAMAGE

The cost of rectifying any damage caused by a competing car to the protective barriers and other infrastructure at the venue will be charged to the Driver concerned.

19. TYRE CLEANING

Tyre cleaning is permitted at the start. Drivers must commence their tyre cleaning with the car past the start line, and any part of the car must not pass over the false start line during the tyre cleaning exercise, or that run will be forfeited and the time disallowed. Start Line Officials will be Judge of Fact in this regard. Drivers must signal clearly outside the window of the car to the Start Line Officials if they wish to perform tyre cleaning.

Long burnouts utilising brakes to slow the car whilst the tyre cleaning is being done, are not permitted. Only "tyre cleaning" is permitted. Transgressors will be given a single warning by the Clerk of the Course and a further offence will result in **ALL** of the Competitor's times being forfeited and he/she will not be permitted to continue competing on the day.

TURN 2 TRACKSIDE MARKER (Referred to as the Noodle)

A noodle has recently been installed at the apex of Turn 2 and time penalties will be applied to anyone that hits the noodle, as cutting a corner shortens the course and is therefore deemed an unfair advantage.

A time penalty of 5 seconds will be applied to anybody that hits the noodle. Officials located at Turn 2 and who will be named at the Drivers briefing will be Judges of Fact in this regard and report back through Race Control for the penalty to be applied.

20. COMPETITION NUMBERS

Preferred car numbers (as detailed in the CAMS Event Entry system) will be allocated in order of receipt. Numbers will be available at document check at \$3.00 each. Come & Try Entrants are also required to display numbers

21. RADIO/TV TRANSMITTERS
